Cash and Cash Equivalents Beginning of Year \$14,185

Cash and Cash Equivalents End of Year **\$14,814**

Notes to the Financial Statements
For Year Ending December 31, 2022

Note 1 Nature of the Organization

Arizona Fallen Hero Memorial Riders is an Arizona non-profit organization whose goal is to honor all Arizona First Responders line of duty deaths and never allow those who have made the ultimate sacrifice be forgotten. We accomplish our goal by holding annual charity motorcycle rides throughout Arizona. For the year 2022 we partnered with the 100 Club of Arizona, a non-profit organization dedicated to providing financial assistance to families of first responders who are seriously injured or killed in the line of duty and provide resources to enhance their safety and welfare. Through this partnership we donated \$44,244.00 in cash and non-cash donations to the 100 Club to enhance both organizations' goals of honoring fallen heroes, never allowing first responders who have given their lives to be forgotten, and providing financial support for the families of first responders who have been seriously injured or killed in the line of duty. Additionally, the 100 Club directly received additional donations through rider registration fees and the raffles held in conjunction with our charity motorcycle rides.

Note 2 Accounting Policies

The financial statements have been prepared in-house by the Treasurer of the organization. There has been no independent audit of the financial statements. The financial statements have been prepared using the cash method of accounting, which is believed to be appropriate for the nature of the operation. We believe the financial statements accurately represent the nature of operations and the financial condition of the organization as of December 31, 2021.

There are no fixed assets belonging to the organization because the organization uses an entirely volunteer workforce, who use their personal assets, such as telephones, computers, etc. to perform organization work. Additionally, there are no liabilities since the organization operates on a cash basis, paying invoices as they are received.

Transactions are handled by a limited number of volunteers, supervised by board members. Purchases under \$500 must be authorized by the President. Larger purchases must be authorized by a majority of the Board. The President collects reports and journalizes the transactions, forwarding the journals to the Treasurer. The Treasurer independently reconciles the journal entries with the bank account records, resolving any questions in coordination with the President. The Treasurer periodically submits a current Treasurer's report at meetings of the Board. As the organization grows, the accounting procedures and policies are expected to adapt to our changing needs.
